EXPRESSION OF INTEREST - ELDERS

Artist: Jida Gulpill

Bendigo TAFE & Kangan Institute's Indigenous Education, Employment & Training Advisory Committee (IEETAC) is currently being established and we'd love to know if you're interested in being a vital part of it!

Between Bendigo TAFE's various regional campuses and Kangan Institute's many metropolitan Melbourne campuses, we have numerous Aboriginal and Torres Strait Islander communities and people utilising our services for vocational education and training.

In order for us to continue to service Indigenous students, staff and communities in the best way, we need to make sure that we have these regions appropriately represented with Elders that can advise Bendigo TAFE & Kangan Institute on how to create the greatest opportunities for education, employment & training.

The committee will meet 4 times a year, rotating at our various Indigenous Education Centre locations and other campuses. Although membership is unpaid and voluntary, assistance in Elder's transportation can be provided where needed.

If you're interested please complete the form attached and send back to lhabel@kangan.edu.au or contact your local Indigenous Capacity Building Officer:
